

25TH Annual CO-OP CLASSIC

SPONSORSHIP OPPORTUNITIES

A fundraiser for:

Since 1928, Co-op Schools and the Saskatchewan Co-operative Youth Program have educated over 44,000 young people. Through a highly effective mix of leadership, communication and teamwork skills, and self-esteem building, as well as the increased knowledge and understanding of co-operatives that young people gain at Camp Kindling (formerly called Co-op Camp), the program has had a positive influence on youth in Saskatchewan for more than 95 years!! Each summer, Camp Kindling makes a difference in the lives of hundreds of our province's youth.

Since 1947, CDF has been supporting projects in small villages and farming communities that help farmers market their produce co-operatively, women gain access to credit through credit unions, communities develop housing co-operatives and worker-owned co-operatives produce the goods and services needed in the community. The Co-operative Development Foundation of Canada supports the advancement of education and development without discrimination, for the relief of poverty and for community development in 16 countries.

Thanks to our sponsors, donors, golfers, and volunteers, over the past 20 years, together we have raised over \$200,000 for CDF and over \$102,000 for Camp Kindling! Thank you so much for your support! Your contributions have a positive impact in Saskatchewan and around the globe.
